

1 AN ACT concerning State government.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Capital Development Board Act is amended by
5 changing Section 10.09-5 as follows:

6 (20 ILCS 3105/10.09-5)

7 Sec. 10.09-5. Standards for an energy code. To adopt rules,
8 by January 1, 2004, implementing a statewide energy code for
9 the construction or repair of State facilities described in
10 Section 4.01. The energy code shall be the latest published
11 edition of the International Code Council's International
12 Energy Conservation Code, any published supplements to the
13 latest edition of the International Energy Conservation Code,
14 and the adaptations to the Code that are made by the Board.
15 adopted by the Board shall incorporate standards promulgated by
16 the American Society of Heating, Refrigerating and
17 Air-conditioning Engineers, Inc., (ASHRAE). In proposing
18 rules, the Board shall consult with the Department of Commerce
19 and Economic Opportunity Community Affairs.

21 Section 10. The Energy Efficient Commercial Building Act is
22 amended by changing Section 15 as follows:

23 (20 ILCS 3125/15)

24 Sec. 15. Energy Efficient Building Code. The Board, in
25 consultation with the Department, shall adopt the Code as
26 minimum requirements applying to the construction of,
27 renovations to, and additions to all commercial buildings in
28 the State. The Board may appropriately adapt the International
29 Energy Conservation Code to apply to the particular economy,
30 population distribution, geography, and climate of the State

1 and construction therein, consistent with the public policy
2 objectives of this Act.

3 "Code" means the latest published edition of the
4 International Code Council's International Energy Conservation
5 Code, any published supplements to the latest edition of the
6 International Energy Conservation Code, and the adaptations to
7 the Code that are made by the Board.
